

Rights and Responsibilities

(TTL)acronym for THE THERAPEUTIC LOOP™

Becoming a certified TTL IPI and BFS Practitioner of Interpersonal Intelligence (IPI) & Bio-Frequency Signaling (BFS)™ tools under The Therapeutic Loop (TTL) framework, you have both rights and responsibilities to uphold the integrity and ethical use of these tools.

Your Rights

1. Professional Use – Upon successful completion of Level One and Two, you are granted the right to use IPI & BFS tools within your private practice on a one-on-one basis with clients.
2. Access to Resources – You will receive continued access to TTL’s exclusive information portal, providing additional materials and resources to enhance your expertise.
3. Certification Recognition – Your Level One and Level Two certifications verify your training and allow you to utilize these tools professionally.
4. Future Growth Opportunities – You will be notified of upcoming TTL Summits, advanced training, and certification programs, including the opportunity to become a certified TTL IPI-BFS Trainer.
5. Community & Support – You have access to a professional network of like-minded practitioners and the TTL team for guidance and collaboration.

Your Responsibilities

1. Ethical & Confidential Use
 - These tools and methodologies are proprietary and are protected by copyright and NDA agreements.
 - You may not share, sell, train others, or publicly distribute any part of the IPI & BFS tools, exercises, or training materials.
 - All materials, including those in the TTL portal, remain the intellectual property of TTL and/or GZCC Services and cannot be used outside the permitted scope.
2. **Limited Training & Teaching**
 - Certification in Level One and Level Two does not authorize you to train others, conduct workshops, or present these tools on any platform or social media.
 - Only certified TTL IPI-BFS Trainers are authorized to teach these methodologies.
 - You are permitted to advertise you are a certified TTL IPI-BFS Practitioner.
3. **Proper Application**
 - These tools are to be used solely for client sessions and not for unauthorized professional or commercial gain.

- Practitioners must ensure they are using the tools responsibly, with professional integrity and in alignment with ethical standards of practice.
- 4. Compliance with TTL Policies**
- Continued access to the TTL portal and resources is conditional upon adherence to these responsibilities.
 - Any violation of these terms may result in revocation of certification and restricted access to future TTL materials and events.

Acknowledgment & Agreement

By completing both Level One and Level Two Certification, you acknowledge that you:

- ✓ Understand and accept the rights and responsibilities outlined above.
- ✓ Agree to comply with TTL's ethical guidelines and NDA agreements.
- ✓ Commit to using IPI & BFS tools solely within the authorized one-on-one client framework.
- ✓ Will seek further certification if interested in training or conducting workshops.

Your dedication to these principles ensures the integrity, effectiveness, and continued advancement of The Therapeutic Loop methodology. Thank you for upholding these values and contributing to the evolution of mental health practices.

Rights and Responsibilities

As a certified practitioner of Interpersonal Intelligence (IPI) & Bio-Frequency Signaling (BFS) tools under The Therapeutic Loop (TTL) framework, you have both rights and responsibilities to uphold the integrity and ethical use of these tools.
